

School Uniform

What do students wear at YHS?

The school and P&C promote the wearing of school uniform to foster a sense of belonging to the school community and develop a sense of pride in the school. Students who are not in uniform must bring a note from their parents/care givers. If this becomes a recurring problem then a parental interview will be organised.

NB: It is a legal and a safety requirement to wear leather shoes (with a tongue) for practical subjects. These shoes are for the protection of student feet in case of chemicals or equipment being dropped onto them. To facilitate this we require students to wear these at all times.

If providing uniform will cause financial hardship for students, assistance may be available through the Principal
