Dear Parents and Carers,

An update on school matters in relation to COVID-19.

NAPLAN:

Education Ministers met today and decided that NAPLAN will not proceed in 2020. The NAPLAN test window was scheduled to be held from 12 to 22 May.

The decision to not proceed with NAPLAN in 2020 has been taken to assist school leaders, teachers and support staff to focus on the wellbeing of students and continuity of education, including potential online and remote learning.

LEARNING FROM HOME:

Teaching and learning at Young High School includes opportunities for learning from home. Many of our subjects include working using online platforms such as Google Classroom and we would like to enhance the capacity to be able to complete work at home.

The processes we currently have in place for our students can also be used to support students who may temporarily be unable to attend school.

We request each family to complete the online survey regarding access. This survey has been sent via text message and is also available through the Skoolbag app. We would appreciate all families completing this as soon as is possible. If you are unable to access please have your child collect a paper survey from the front office on Monday.
